**WEAK MEN, WEAK EXCUSES**  
**A Call to men to seek God's best for their lives.**

Guest Speaker Ken Sutton

Ken and Lynn Sutton have been serving in various Calvary Chapel's for 17 years together as a married couple. Back in 1993 the Suttons had a garage sale and earned enough money to move to Romania for what they hoped would be at least 6 months...but the Lord provided for them to stay for 3 years as they planted the first Calvary in Transylvania. Through the years, the Suttons have helped plant or pastor churches in London and Manchester, England and beautiful Lynden, Washington.

Most recently Ken has been the men's pastor at Calvary Chapel Costa Mesa and also the host of the popular radio broadcast "Pastors Perspective" with Brian Brodersen. Ken and Lynn have three children; Grace, Noah and Emily (not pictured).

# LIFE GROUP PRAYER AND PRAISE

- One of my co-workers **Paula**, her husband **Greg**, had to go in for emergency surgery on an aneurysm in his brain. Neither one of them has any family out here. Please pray for both of them as this is a very scary thing to go through especially all alone. Thank you, Love **Sherra**
- God is good! Following is yesterday's news—**Mary** is MUCH better! My sister **Mary**, her abscess is not responding to the antibiotics and she can't eat or drink and has been in the hospital twice from dehydration, please pray that the infection would get better so she doesn't have to take so much medicine!~ **Darlene Hegeberg**
- **Dave Kerr & family** needs prayer, Dave is a co-worker and employee and has been moved to Swedish hospital after having complications from torn artery that was causing back problems it has now cause a loss to his vision. He has a team of 8 doctors and one of them **Dr. John** told Dave, "God told me you would see again so we will do everything we can to help you." Pray for healing and God's peace. ~**Marc Owenby**
- Prayer request for **Karen Erickson's** father **Lloyd Johnson**. He is undergoing chemotherapy treatment and

his next one will be very strong. Pray for good results so treatment will be less intense and for healing.

- Prayer request for **Wendy Roullier** who received notice to vacate within 30 days from landlord on 8/1 they are now scrambling to both pack up after 9 years and find a place to live. Pray they find a place by end of August.
- Please pray for **Ruth LeMaster**, she needs a used small economy very low cost car would prefer a Honda or Subaru as she does a lot of driving for her work
- Prayer request for **Christen Weller** as she was in car accident prior to arriving at Ross Point. The family was not hurt but the car had damage and Christen needs prayer for the finances to cover the deductible and the extra cost of car rental above what the insurance doesn't cover.
- Praise for my job as a caregiver.~ **Roseanne Nelson**
- Prayer request for **Darcy** as she tries to figure out the finances to get her and Nina to CA one last time to finish up the closing of her **Aunt Donna's** home.

## All in the Family

Perhaps you noticed that our able office receptionist, **Sheri**, (whose duties extend far beyond that title) has been missing again. Doctor's orders were to baby that broken wrist and that included no office work. She will be back in the office on Tuesday the 11th, but off again on Wednesday for an appointment with the Doctor. In the meantime, our very efficient member, **Darcy Stanyo**, has been doing a great job.

Engaged this past June, **Amanda Harpell and Drew Franz** are very excited about their upcoming wedding on December 13th in Temecula, California. An additional piece of good news is that the wedding is scheduled so that brother, **Scott Harpell**, who will be on brief leave from Fort Bragg, NC for Christmas and his fiancé **Angela Dexter**, will be able to be present. Congratulations to both couples!

**Edie Richardson** had a difference of opinion with her daughter's Golden Retriever and the result was a fall resulting in a broken finger and torn arm ligaments. Taking the dog for an evening walk, a cat had crossed their path. Edie did not let go of the leash; the dog took off, neither one won.

**Ron Olson's** father died this past week in Iowa. Ron and Kay had visited his Dad in April and are so thankful for that good (and last) time together. Ron, Kay and their two grown kids attended the memorial service this week in Iowa, stating that it was a good time together. In fact, Kay used her cell phone from the airport in Duluth to confirm this item. Our sympathies to the family.

It was good to see both **Ginnie and Bill Hamilton** in church Sunday after both of them had recently spent time in the hospital. What a vacation!

Updating news on **Alan Carter, Lois and Lyle Pickard's** son-in-law: Alan and Marilee observed their 37th wedding anniversary on August 4th, not as they would have liked, but at least together. Progress is happening as Alan is getting to eat some soft foods and he is happy to taste. It is believed it will help him improve his swallowing. It is also hoped that he can have a smaller trach inserted with the eventual result of no trach at all. If that happens he can be moved closer to home. Prayer is of course needed for Alan's improvement and also for their financial needs and insurance coverage to be met.

**Howard Crowley**, a member of the Clipper Class and SAM and regular attender of worship services died on August 1st, 2009. He was 90 years old and had been missed this past year because of declining health. His memorial service will be held on the afternoon of August 15th at the Broadway Plaza Apartments, 3020 Broadway.

**SP** The Preschool Ministry is looking for a compact refrigerator to put in the nursery for Sunday mornings. If you have one you would like to donate please connect with Christen Weller or email [preschool@fbc-everett.net](mailto:preschool@fbc-everett.net)
